Subject: Texas Order statement

Hey guys –

The Post and Courier contacted us regarding the Texas Order in the transgender suit. See below for what they asked and how we plan to answer. Let me know if you have any questions. Inquiry came from Deanna Pan, the education reporter.

Thanks!
Hayley

Question: What impact, if any, does this order have on South Carolina schools?

Answer: "This ruling is a great victory for the 10th Amendment, the rule of law and our children. It returns the decision-making power back to the local school districts where it belongs. As we have stated previously, the federal government cannot re-write the law, and this ruling confirms that."
