Dear Friends,

On behalf of the people of the Palmetto State, I am pleased to welcome you to the Miss Plus Size Charleston Pageant.

This will be an exciting event not only for the women on the stage but also for friends, family, and fans in the audience. The contestants have invested a lot of time and effort in themselves, strengthening the personal skills and self-confidence that will contribute to their future success. The results are awesome and serve as a reminder that it's what's inside that counts. With a strong, positive personality, dreams can, and will, be realized.

Michael and I hope you have a wonderful pageant. Regardless of the final outcome, all of these ladies are winners, and we wish them the best going forward. God bless.

My very best,
