Dear Katherine:

Thank you for the prompt response. I would appreciate it if you bring this recommendation to the Governor's attention.

Mr. David Baxter was appointed to the board during David Beasley's first term (as I recall). The governor asked me to find a conservative minority individual to fill the 4th district position held by a liberal minority. David Baxter is a member of my church, served on the deacon board, and at times has been the chairman. He is a long time employee of AT&T (Bell South) and married with two married daughters.

You can check his record on the board and I believe you will find his decisions in line with Gov. Haley's philosophy. He has served as chairman during at least two terms. He was removed from the board during a democrat administration then reappointed during the Sanford administration.

David faithfully carries out his duties. He does not yield his standards to any special interest groups. I recommend him with upmost confidence and believe he reflect positively on the Haley administration. I will be happy to provide any additional information.

With kindest regards,

Dr. Bob Taylor ( Wendy's Dad)
