## **Savannah Valley Trails / Frank Clayton Annual Trail Event**

**October 25, 2014**

**10 am to 2 pm**

**Join us for the opening Dedication Ceremony and Ribbon Cutting  
at the 125-year-old railroad trestle which crosses Mill Creek on State Rt. 7  
McCormick County, South Carolina.**

This ceremony marks the completion of decking the trestle to make it useable for hiking and biking. Experience our trail firsthand—or take a seat in the tractor-pulled wagon for an “I feel like a kid again!!” ride!

Hot dogs grilled on site and homemade ice cream will follow, served nearby at Kibby’s Cottage, 2015 Highway 7, approximately 5 miles north of State Rt. 378.

Your presence is important to Savannah Valley Trails, Inc. Please plan to attend.
