Subject: Designation of Signatory Authorities and Representative

Good Afternoon, Tony:

I've attached a letter from our new Executive Director, Dr. Michael Mikota, which outlines his designations for signatory authorities and his appropriate representative as required by the new Aging Policies and Procedures. Dr. Mikota's email address is mmikota@slcog.org and he may be reached at 803-775-7381. I will also send this letter by regular mail today but wanted you to have a copy as soon as possible.

Thanks,
Kathy
