I've left her a voicemail, I'm essentially planning to offer that she can meet with me if she would like.

I have not responded yet because I wanted to see what your thoughts were first before I called her back.

Lily, I just got the voicemail that you forwarded from Mary Peck - Kinder ? Home Services who wanted to discuss home health and hospice with the Lieutenant Governor, as well as their legislation on the council on aging. Since you forwarding message said this may also be for me, I wanted to see what you have done with this message so far so we aren't crossing paths. Thank you.

I have also copied Danny in case he would like to weigh in on how to proceed.
