## South Carolina State Parks

at 16:14:06 on 9/15/2018 UTC · 🌐

As Hurricane Florence moves through our state, parks are responding to weather conditions, downed utilities and trees. Park managers will be closing parks as needed to deal with these conditions in order to keep our staff and visitors safe. If you have questions about a specific park, please contact that park directly before visiting. As always, visit our website at [www.SouthCarolinaParks.com](http://www.SouthCarolinaParks.com).
