Out working at Lake Greenwood State Recreation Area today. What a beautiful park! I will try to share some photos with you. Have you visited Lake Greenwood? Tell us about your Lake Greenwood experience and memories. We'd love to hear it.

Heather Renee Keffer I lived in Greenwood and attended Lander and while there, I had 2 baby ducks I bought from local feed and seed store and when they were grown, we released them at Lake Greenwood.

Karen White We were just there this past weekend! The fishing was great! The bathhouses that I went in needed lots of attention!!!! Outside of that we had a great time. :)

Leigh Anne Wicker It's a great park Love to go there camping. I do agree with Karen though most of the bathhouses could use work. Also we have had problems with people not waiting to obey the quiet hours.

Lanetta Skipper Turner Love Lake Greenwood. It is hard to get a spot. I do wish they would have more spots and better bath houses. But it's our favorite out of the state parks we visit..

Lynn Helms Sealey Wade Camped there about 6 years ago. Wind got up, so left our tent. Got into our van..next morning our tent was still tied by one tie and was almost in the lake, flopping in the wind.
