Leigh,

Thanks for getting back with me so quickly. I would greatly appreciate a meeting with the staffer who handles. If you can toss me a few dates I will pass them over to my client and see which one will work for them.

Thanks,
Preston

Hi Preston,

We appreciate hearing from you. The Governor's schedule is just jam packed over the next few weeks. However, we'd be happy to set up a time for Mr. Pacelle to speak with a member of the Governor's senior staff who directly handle these issues. Are there specific areas of concern or legislation involved that our office may be of assistance on?

Please feel free to contact me at (803) 734-5151 or by email: leighlemoine@gov.sc.gov to discuss further.

Sincerely,

Leigh,

Preston Grisham recently reached out to me regarding the following scheduling request. I wanted to pass it along to you.

Rob

Rob,

Hope you had a great weekend. I represent the Humane Society here in South Carolina and they wanted to know if there was any possibility to set up a meeting with their President and CEO here in the State, Wayne Pacelle, to meet with the Governor to discuss animal issues.

Please let me know the correct person in the office to forward this request to and I will be happy to do so. Thanks for you help and look forward to seeing you soon.

Thanks,
Preston
