Subject: Fwd: Minority Affairs Follow Up with Governor Haley

Ted and Katherine

Mrs. Tia Brewer-Footman is eager to get to work with Minority Affairs and wants to make sure she on the same page with the Governor. I'm forwarding you this email she sent in November. She has the capacity to make meaningful and lasting improvements. It will be very helpful if she has something in writing what the Governor is looking for or a phone call, that will help Mrs Footman moving forward.

Ted, if you are around tomorrow morning (Thursday, Dec 12) I will be at the Blatt Bld, would like to have five minutes with you, if not I'll call you.

Sincerely

Rep. Samuel Rivers, Jr.

Subject: Minority Affairs Follow Up with Governor Haley

Afternoon Governor Haley,

It was an honor to have spoken with you briefly last month while in Charleston for a local clergy event.

I also thank both you and Rep. Rivers for my newest assignment. And I

do not take my role as your designee and recently appointed SC Minority Affairs Commissioner lightly.

I appreciate the invitation you provided to meet with you in person and to contact your office to arrange. During our chat backstage, you also mentioned some other matters as it relates to minority affairs and the need to make considerable progress. And while I too, have a few ideas that could provide highly effective & consistent publicity as well as positive visibility to Minority Affairs, I most certainly want to make sure I also capture your vision and input for this much needed state entity.

With the support of John Carroll he and I both reached out to Nicole to book a meeting. Unfortunately after a month of follow ups, neither of us have received a reply.

I look forward to speaking with you in person at your earliest availability.

Kindest Regards,
Tia
