Good afternoon, Justice Corrigan:

You and your family are in our thoughts and prayers. Although I never had the privilege to meet your Mama, I know she had to be an extraordinary woman given how successful you are! I know she was proud of you and all her children. Please do not give next week another thought. We'll keep you posted on our progress. If there is anything we can do for you, please don't hesitate to call. Blessings,  
Becky

Hi all, I wanted you to know that my mother died peacefully last night after a very long struggle. All seven of her children were with her yesterday. It was a privilege to be her daughter and to help her leave this life.

I am not able to join you for the Monday conference as her funeral will be Monday. If Tuesday is needed, I should be able to join you then. I am sorry!
