Murrell,

I will call Director Heigel now. Please program her cell into your phone - she will follow up with you directly.

Thanks, Katherine

Heigel cell: (864) 360-0692

See below. Mosquitos are horrible in Sumter right now after the rains. Does DEHEC not do mosquito spraying any longer or did they just quit assisting in Sumter County?

We (county and city) fund a spray program.

We will address that area.

With a lot of standing water...there will be massive mosquitos

We will spray all that we can

FYI sc dhec quit partnering with us on this 2 years ago

Are we spraying for mosquitos? They were horrible at the Soccer field last night. Do I need to call DHEC? Let me know how I can help. Thanks

Murrell,

First I want to thank you for all you have done and are doing for our county and city. As you know, I send out all of your information that I can grab to our Prayer Warriors (350+).

I went squirrel hunting and then started to the deer stand about 4:30 PM yesterday but I was met with swarms of mosquitoes. I have never seen them so bad as they are right now. I had one light on my shoulder that was carrying 3 ticks. (Just kidding).

In your travels have you heard if the city/county has a spray schedule for mosquitoes?

Thanks and God Bless
