Chaney,

I'd appreciate if you could get a comment from Gov. Haley regarding Sen. Peeler's S. 944 ([http://www.scstatehouse.gov/sess121\\_2015-2016/bills/944.htm](http://www.scstatehouse.gov/sess121_2015-2016/bills/944.htm)) which was amended in subcommittee this morning (see attached). I know the governor asked the Department of Administration last December to allow the S.C. Secessionist Party to rally after DOA. I wanted to know if she opposes this bill, if she believe it infringes any First Amendment rights, if she would sign it and whether it's in the public's best interest to pass something this bill.

As I said there is a Senate Finance Committee meeting at 3 where it's expected to be on the agenda, per Peeler.

Thanks,  
Gavin
