We LOVE our Lace House couples and appreciate their understanding of the difficult circumstances! Although we were disappointed we could not gather on their original dates, we look forward to celebrating with them on their future special day. Until then, we wanted to highlight them. Give a like or drop a happy emoji for part two of our May 2020 clients who despite the trying circumstances have found ways to stay positive.

Meet: Elisabeth + William and Janelle + Gavin!

P.S. Stay tuned for our June 2020 couple highlights. We have so many amazing clients; we could not fit them all in one post! @ South Carolina Lace House

**Meet**  
**Elisabeth & William**

- How did you and your partner meet?  
We met at the Medical College of Georgia on Elisabeth's first day as a neurology intern when William was starting his fourth year of medical school.

- When did you get engaged?  
We got engaged on August 17th, 2019 at a park in Augusta where we had one of our first dates.

- What is something you love doing together?  
We love exploratory walks around the city and cooking together, trying new recipes and revisiting old favorites.

**Janelle & Gavin**

- How did you and your partner meet?  
Gavin and I met back in 2014 at a car show in Columbia SC. We were only 18 and he was 22 and I was really nervous to meet the life changing man in Columbia SC.

- When did you get engaged?  
In March of 2018 we decided to take a cruise to the Caribbean together. There it was on our special evening where we got all dressed up and Gavin proposed to Janelle. We made sure to have a photographer to capture the special moment between us.

- What is something you love doing together?  
Even with our busy schedules we always find time together to do the things we love, which is going on vacation together and of course any chance we get we always make it to a car show.
