Dear Friends,

HealthCare.Gov Failures

This week we saw the failures of HealthCare.Gov, the President's health care website, up close and personal with violations of privacy on the Healthcare.gov website in a committee hearing Tuesday with Centers for Medicare & Medicaid Services (CMS) administrator Marilyn Tavenner. You can watch my questions for Ms. Tavenner below.

If you are having issues with the exchange, are seeing your premiums increase, or have been dropped from please consider sharing your story with my office. You can [email me](#), contact one of our offices (inform me via this email), or reach me through [Facebook](#) or [Twitter](#).

Responsible Budgeting

I also wrote a column for the *Greenville News* this past Sunday discussing the importance of responsible budgeting and address structural issues in our budgeting process. Our country deserves better than short-term budget fixes that do not address the well enough to get us to the next crisis.
