Holly,

Please see the exchange below. This state agency organized a fundraiser for One SC. They are looking for representation and/or signage for the fund. Do you have something left from the press release they can use? Also, would anyone from the Governor's office like to be present? If no one is able, I can check with the review committee.

Best,
Dana

Dana,

Thank you. We are beginning at 9:00am on Saturday March 12, 2016.

If no one can be represented, do you have a banner that we could display? Or can you put me in contact with someone who does have a banner that I could use.

Thank you,

Remind me of the date and time again? In reality Bridget this is the Governor's fund so I'm going to reach out to her office to see if anyone would like to represent One SC. If not, I'll reach out to our grants review committee.

Thanks!

Dana and Cherise,

Good Morning! We are in our final prep stages for this weekend's fundraiser tournament.

Do you have a banner or sign that we can display at the event? I would love if someone from your organization could come and say a few words at the beginning of the event, but I understand this is short notice and you may not be able to do so.

Thank you,

Bridget,

Unfortunately we are unable to do that as that would put us in a position to be asked to solicit on behalf of many other entities and we want to keep our focus firmly on the dollars we fundraise. Are any of you a member of a church that could do it on your behalf?

I know this is frustrating for you!

Cherise,

As you know, our charity tournament is being held next weekend, March 12, 2016. To my surprise, no state agency is able to accept donations of any kind, nor are we able to solicit donations of any kind. Which means I (on behalf of DAODAS) cannot solicit food or water donations for our event, nor can I accept the donation for the Championship Trophy, that I have already had donated.

Would SC Flood Fund be able to assist in acquiring food donations such as snacks for purchase (donation) and bottled water and be able to sign off on the trophy donation?

My apologies for this, I was unaware of the policy until I asked for a donation.

Thank you,

Good Morning Bridget,

Thank you for choosing to support the One SC fund. Our media guidelines are fairly simple. We ask that when you mention the fund, you refer to it as the *One SC Flood Relief Fund housed at Central Carolina Community Foundation*. When using logos, we ask you list both the One SC logo and the CCCF logo. We also ask that any press releases or information mentioning the fund or using our logo are sent to me for approval before distribution. We rarely have changes and are generally quick with approvals.

Please let me know if you have any questions regarding these guidelines. I hope your events go well- they look like

lots of fun!

Best Wishes,

Cherise

Please see the email below. Bridget graciously informed me that we one of the three charities they plan to support. They plan to run a media campaign around it with the 16 cabinet agencies appointed by the Governor. There are some really fun things behind this including a basketball tournament.

Cherise, can you reach out to her with any guidelines for media? I've attached our logo.

Good Afternoon Dana,

I would like to discuss with you the possibility of utilizing the SC Flood Fund as our charitable source for an upcoming FUNdraiser I am creating for the 16 Cabinet Agencies and State House Staff.

The date of the event is March 12, 2016 at the Charles R. Drew Wellness Center. We are in the process of planning a March Madness Basketball Tournament encouraging employees to get active and raise funds for the relief fund.

Do you have time this week to discuss? I apologize for such short notice.
