Will this take into account the extension of work needed. He is now requesting that 50 for troops are needed for more additional projects.

Governor,

Per our earlier conversation about the Adjutant General's budget, we are finalizing the amount necessary to back-fill the National Guard and EMD for their storm response, allowing the agency to function through the end of the fiscal year uninterrupted. The fund to be used for this transfer is 'Unclaimed Property' and the Treasurer and relevant appropriations staff have been notified. We will have the amount finalized tomorrow with a notification letter to the General Assembly for you to consider.

Thank you,

Josh
