Fort Stewart

Home of the 3rd Infantry

Fort Stewart-Hunter Army Airfield is the largest Army installation east of the Mississippi River, covering 280,000 acres. It is close to **Savannah, Georgia** (42 mi), and **Charleston, South Carolina** (142 mi), and is the home of "the **3rd Infantry Division**, and the First Battalion, Seventy-fifth Ranger Regiment, Rapid Deployment Force. The "Rock of the Marne" and nearly 30 tenant units are some of the most deployed units in the United States Army.

Fort Stewart Tenant Units

As a training base and power projection platform, it is responsible for training, equipping, deploying and redeploying both early deploying and follow-on active component Army units. It is also responsible for mobilizing, training, equipping, deploying and redeploying Army National Guard and Army Reserve units and Soldiers.

Tank, field artillery, helicopter gunnery, and small arms ranges operate simultaneously throughout the year with little time lost to bad weather.

I Want To Exhibit at ExpoStewart 2017

The seminars and panels are an integral part of your event experience.

These government presenters have been approved with an allocated budget to participate in this event in an effort to assist YOU, the exhibitor, in understanding the procurement process and assist you in developing contracts within their jurisdiction.

We strongly suggest you bring TWO exhibitors

One to man you exhibit and the other to attend sessions.

The gov't presenters are dedicating 45 minutes per seminar and 2 hours per panel discussion to provide a proactive opportunity to meet with you.
