Subject: updates???

<http://www.wistv.com/story/20029699/report-more-south-carolinians-affected-by-hacking>

Katherine,

I am concerned. See link above. Why am I hearing about this in the news?

Are you not sending out any further updates or did I not receive it?

My constituents want to get as much information on this as possible. Please share information as it comes to light.

Thank you,
Shannon
