Subject: News Wrap Up

Dear Friends:

I would like to thank my friends, family, supporters and the numerous attorneys and clients I have worked with over the years who have contacted me to express their support, as well as their shock and disgust over this past week's improper release of an associate review from a law firm here in Nevada. My wife and I knew that entering this race would be a challenge. But this is politics. We don't duck it, and we are stronger than the pettiness that we face on the campaign trail. My candidacy, background, and broad experience as an attorney is and will continue to be in sharp contrast to my opponent's.

Fortunately, numerous media outlets throughout Nevada spent time this week outlining areas where I have specific legal experience that my opponent lacks - in the military and in the private sector.

Attached below are a handful of those stories.

Again, we hope you can join our campaign. [Please visit my website](#), [Like me on Facebook](#), [Follow me on Twitter](#), and if possible, [please contribute to my campaign](#) this weekend.

Thank you for your consideration and support.

Sincerely,
Adam Laxalt

P.S. - Please consider a secure, online contribution right now of [\\$10](#), [\\$25](#), [\\$50](#) or [\\$100 today](#). Every contribution helps.
