Sorry, I sent the version before I had a confirmed date from Marcos. Agencies have until January 31, 2015 to develop a plan. We are trying to allow time for a gap analysis, assessments, etc. We are asking them to define a "policy champion" by June 30, 2014. This person and team are responsible for developing and implementing the policies. The champion should be non-technical and a member of executive mgt.

Yes, no entourage.

Thanks for your help.
