## **Upcoming ACL-Supported Webinars**

*Webinar on Federal Trade Commission's "Pass It On" Campaign*

Wednesday, September 10, 2014, 2:00 p.m. to 3:30 p.m. ET

Sponsored by the ACL-funded National Legal Resource Center, this webinar will discuss the Federal Trade Commission's new consumer education campaign for active older people—Pass It On. The campaign is based on the idea that older adults are part of the solution, not simply the victims of scammers. Pass It On reinforces what older adults already know about some common scams, and gives them the tools to start conversations about these scams with friends, neighbors and relatives.

This webinar will focus on the scams the campaign seeks to address, and ideas for passing it on. [Click here](#) to register.

*Palliative Care for People with Alzheimer's Disease or Dementia*

Presented by ACL, this webinar is part of the Alzheimer's Disease Supportive Services Program (ADSSP) Technical Assistance Webinar Series. The purpose of the series is to provide helpful, current, and applicable information for professionals who work with people with dementia and/or their caregivers.
