

February 2-24-15

Dear Governor  
Finley, Hello! I am a fourth  
grade student at Loyalsock  
Valley Elementary School. Our class  
is doing a project on fifty  
states. Our goal is to collect postcards  
from all 50 states. I was hoping that  
you could send us a postcard from  
South Carolina. Your contribution will  
help us reach our goal and  
learn more about the places in  
our country.  
Thank you,  
Finley
