Can or should we increase the size of the SCPT?
Please ask our rep to make sure it's a good size for the space it's in?

FGI logo is one side of the bag and SC Power Team is on the other correct?

Right now, 4.5" wide x ~1" tall (don't think that takes into account the symbol above the name).

I spoke with the rep at Land's End and have more information on the bags. Essentially, if we increase the size of the FGI logo, it would be 6" wide and probably about 4" high (it would maintain the same proportion). She said if we let her know today that we'd like to do that, she could send us a sample in the mail, and we'd still have time to have the bags produced. The sample is on a swatch of the fabric of the bag; unfortunately, it's not on the bag itself.

The dimensions of the bags are below:

Medium: 17" wide x 13" tall with 9" handle

Large: 22" wide x 17" tall with 9" handle

Unfortunately, deep sapphire is not available in either size, but khaki pebble is available in both sizes.

Thanks –

Alex
