John-

Hope you are well and thanks for all of your help. As Abby has made you aware, time is of the essence and we would really, really like to have this by next week it at all humanly possible. We are aware that it is short notice and usually takes longer of a processing time, but this is very important to us. We are planning on having the local news media there and believe that this will also help our Governor.

Please let me know when you receive this package. I am also over-nighting the hard copy to the Governor's Office today.

We would very much like for the Governor to attend the event if she can, but if this is not possible, we would like for Senator Alexander and Senator Martin to present the award (should it be granted) along with Mr. Harrison.

Have a great day!

Thanks

Tracy Lamb on behalf of Henry C. Harrison
