Hi Jim/Katherine,

Senator Shealy received the following inquiry regarding an event that has received a permit to rally at the State House on July 10, 2016. Is there anything that can be done to prevent this event from taking place? Thank you.

Hi Senator Shealy~A pro-Confederate Flag group has a permit to rally at the State House on July 10, 2016. The KKK and neo-nazis are planning to show up again, also. We do not need a repeat of last year's chaotic and disgraceful spectacle. Is it possible for the Governor to declare a state of emergency to stop this event from happening? What else can be done to stop this? Last year, it took hundreds of law enforcement officers to attempt to maintain peace. Unfortunately, it wasn't enough to contain the clashing of hate groups. Thank you for your prayers during last year's event.
