## Join NLGA in Coronado, California from November 29 - December 1, 2017!

Right across the bay minutes from San Diego's world-famous attractions, the **Loews Coronado Bay Resort** sits on a private 15-acre peninsula surrounded by the Pacific Ocean and the Coronado Bay .

Just 20-minutes from the San Diego Airport and 15-minutes from downtown San Diego and the Gaslamp Quarter, Coronado has a beach, a bay, elegant gardens, old-world mansions, quaint shops, oceanfront dining and spectacular views.

Nationally recognized Silver Strand State Beach is miles of mica-rich sand glimmering silver in the sun! From the Loews, stroll 5-minutes across a street to the beach (or take the complimentary golf cart) or lounge on the Loews expansive pool deck featuring three heated pools. Rent a bike and tour the island via Coronado's beachfront boardwalk. Stop on main street in Coronado which features shops and eateries.

Coronado Ferry Landing offers more than 20 shops, art galleries and restaurants boasting stunning views of San Diego's downtown skyline and is about 10-minutes from the Lowes Resort by taxi. The Coronado Ferry will take you to Broadway Pier in San Diego where you can visit the USS Midway or Seaport Village (\$10 round trip per person)...

The USS Midway is considered the most popular Navy attraction in the world while Seaport Village is one of downtown San Diego's most popular tourist attractions.

Seaport Village's four miles of winding cobblestone pathways are framed by ponds, lakes, and fountains and features more than 50 shops, casual eateries, fine dining and a variety of entertainment venues.

No trip to Coronado is complete without a visit to the legendary Hotel del Coronado. Built in 1888 and designated a National Historic Landmark, the hotel has a fascinating and colorful past, which includes presidents and princes, socialites and scandals, ghosts and glamorous celebrities. It's believed to be the inspiration for the Emerald City in "Wizard of Oz!"

Coronado is bounded by beauty and activity! One Golf Digest writer calls the Coronado Public Golf Course "a gem I consider the best value in the United States." And did you know every Navy SEAL is "made" on Coronado Island? The Coronado Naval Amphibious Base (NAB) is home to the U.S. Navy's SEA, AIR, LAND (SEAL) Teams - the elite Naval Special Operations unit of the US Navy.
