The online Atalaya Arts & Crafts Festival is happening now! Let's meet one of our many artists! Sidney Caruso has been a fiber artist and mix media artist since 3 years-old, always wanting to create art in many layers. In using a variety of textiles and choosing the colors that create her pillows, she hand paints each piece of canvas and sews into a pillow. Sidney is always surrounded by assorted fabrics that give her inspiration in creating her pillows. Check out Sidney here and visit her etsy store to purchase: <https://southcarolinaparks.com/atalaya-festival/sidney-caruso>  
What fantastic gifts!

**Toni Chaney Becker** Great idea to share the festival virtually! I have always wanted to go and couldn't make it. This give me a chance to browse all the great arts and crafts.
