Here is the Procurement Code cite which all state agencies, including OEPP, follow:

S.C. Code Ann. § 11-35-1260 (2011)

"No contract for the services of attorneys shall be awarded without the approval of the State Attorney General except where specific statutory authority is otherwise provided."

This is still an open item on the budget veto list. If this really is pointless and doesn't do anything, then I'd like to veto it as a clean-up matter. Thanks.
