Subject: Budget Request Review

All,

I hope everyone had a wonderful Thanksgiving with your families. Christmas will be here before we know, and then we all know what that means...budget hearings right around the corner. I would like to meet with each agency prior to January to review your budget request and address any potential areas of concern. When preparing for your budget hearing, please use the same presentation format from last year. The members found this very helpful and more easy to follow. I will be making a few changes to the presentation, but overall, it will be the same. I will send out an updated format by Wednesday so that you can have it prepared prior to January. ***ALL agencies will need to prepare the presentation and have it submitted to me no later than 5:00 pm on Wednesday, January 8th.***

Please let me know from the following times when you are available to meet with me to review your budget request. Representative Merrill has asked that you please not contact him directly regarding scheduling meetings prior to meeting with me to review your request. Also, please be sure to send me any updated contact information I may need for your agency especially if previous points of contact have left the agency.
