

Dear Governor Nikki Haley

This is Violet Clements and my fourth grade class is having a Great State Race to learn more about our fifty states. If you could share a few interesting facts about your state on a postcard from your state, it would be very helpful. Here is an interesting fact about Nebraska: our state drink is Kool-Aid, because it was first made in our state. Please send the postcard to Violet Clements c/o Our Lady of Lourdes School 2124 S 32nd Ave Omaha, NE.

Thanks,

Violet C.
