Hi Tory Beth,

Great chatting with you earlier! Looping in our communications team. They are with the Director at his hearing right now, so it might take them a bit!

Best,

Kailey

Subject: Video of Director Mulvaney's Presser

Hi Kailey!

Thank you so much for your help. We were hoping to get a copy of the video from the White House presser yesterday when your boss stated tax payer's money had been spent on "climate science musicals." Lt. Gov. Bryant would like to post it in support.

Thank you!
Tori Beth
