Subject: The Network of Care Realizes Significant Expansion Throughout the Nation

Hello Tony,

I thought I would send you a quick report on the Network of Care expansion.

- Delaware just deployed the [Network of Care for Behavioral Health](#) portal statewide.
- Philadelphia launched the new [Network of Care for Prisoner Reentry](#) program.
- Nebraska is adding the [Network of Care for Service Members, Veterans & Their Families](#) to its statewide deployments of the Network of Care for Public Health and Behavioral Health.
- In California, Solano, San Diego and several other counties are deploying **all nine Network of Care products**.
- Ventura County will be trail-blazing with a creative new portal for **Foster Care Youths** .
- The **Behavioral Health**, **Veterans**, and **Prisoner Reentry** portals are now being considered statewide in a number of states across the country.
- The [Network of Care eLearning](#) program continues to expand, especially in the area of Direct Care Workers – now the finest program of its kind in the nation.
- The **Personal Health Record** is being increasingly used as a **care management** tool.
- [The Network of Care for Public Health](#) (needs assessment) is now in 13 states.
- The [Network of Care for Seniors & People with Disabilities](#) now includes a state-of-the-art ADRC referral/reporting tool.

These community-based, consumer-outreach and engagement programs can be quickly customized to any local or state jurisdiction.
