The governor doesn't have any availability, but we'll try to get her video of the media avail.

Hi Chaney,

My name is Mary Ann and I'm a reporter with BuzzFeed News in New York.

I'm looking to get some comment, possibly a few minutes on the phone with Gov. Haley, to discuss the [video](#) of a school resource officer in Richland county.

Some questions that I'm looking to get answered:

Does she think there should be an independent investigation of this incident?

Should it be a civil rights investigation?

Have there been issues in the past with school resource officers?

I'd also love to hear Gov. Haley's general opinions on what happened.

Thank you and I look forward to hearing from you.

Best,

Mary Ann
