**Subject:** Repayment of Uninsured Enforcement Cash

---

Col.,

As you and I discussed last week, DMV acknowledges that it owes the Patrol approximately \$390,000 in Uninsured Enforcement fund. DMV and DPS are nearing an agreement on the separation of the two agencies in terms of salaries, fringes and operating dollars. Once Marcia and Boykin have signed off on this initial phase of the separation, which I hope will be completed by no later than early next week, I would like to meet with you to establish a repayment schedule that works for both of us. Please call me if you want to discuss this before next week.

I hope everything is going well for you. Come by to see me when you are downtown.

Steven
