FEATURED STORY FOR AUGUST 16, 2018

## Why School Spending Is So Unequal

Some districts spend two to six times more on students than other districts -- even in the same state.

## NEWS IN NUMBERS

# 10 minutes

Time it took an 11-year-old to hack into a replica of Florida's election results website at a convention. During that brief period, he was able to manipulate names and votes.

## WHO SAID THAT?

"Smart and policy-oriented women -- women who can run circles around comparable men, who would make excellent governors -- are still being punished like adolescent girls who lose popularity in junior high because they are too smart."
