Dear Mr. Mayer:

This letter is a request for copies of public records listed below pursuant to the South Carolina Freedom of Information Act.

WSPA-TV seeks names of the staff and any non-essential staff members who accompanied Governor Haley on a trip to Germany the week of September 9. In addition, we request any that you provide any and all line-item expense reports for the staff and any non-essential staff members during the trip. We also request the companies any or entities who met with Governor Haley and Secretary of Commerce Bobby Hitt during the trip, and the specifics for each meeting.

Since this request primarily benefits the general public, I ask that any search or copying fees be waived. If there is a charge for providing us with copies of this documentation, please advise me of your estimate of the cost before fulfilling this request.

Thank you for your assistance.

Sincerely,

Rob Landreth
