Nikki Haley on WAGT (NBC) - Augusta, GA

03/27/2015 05:14:25

NBC 26 Today (News)

... working on.. like fixing roads. robert kittle has what the governor said and the effect it's having on the issues important to tax payers. governor nikki haley said in her state of the state address earlier this year that she would work with the legislature. but what she just said about them ... to a realtors group could hurt that. "because i know many of you are going to the statehouse, which ...
