## Who We Are

SC Hunters and Landowners for the Hungry (HLFH) is an all volunteer, non-profit organization founded in 2004. Since 2004, SCHLH has provided over 500,000 pounds of meat to non-profits and needy families based in SC.

## What We Do

We are a 100% volunteer organization. We donate wild meat to nonprofit organizations that in turn help feed the one in seven South Carolinians who are food challenged.

## Last Year...

HLFH provided over 70,000 lbs. of meat to food banks, which produced 280,000 meals, and supported over 15,000 people.

## Operation Round-Up Meat Donation

When you take your deer or wild boar to an approved processor, tell the processor you would like to donate part or all of the meat to SC Hunters for the Hungry. Our volunteers will make sure the meat gets delivered to an agency that will use it to feed the hungry in your community.

## Why Donate

HFLH provides deer hunters in South Carolina a great opportunity to help themselves, their sport, and people in need in our state. Your participation, either financially or through the donation of venison, or wild hog meat can accomplish many worthwhile goals:

- The hungry, who otherwise would do without, will be provided a quality meat.
- Positive publicity is generated for hunters and the tradition of hunting.
- The annual deer harvest in South Carolina can be used effectively and more efficiently by eliminating waste.
- The deer population is controlled which not only benefits mankind but the deer themselves.
- Wild meat is a greatly underused resource.

## Approved Processors

- Don't see your favorite local processor on the map? We invite you to work with the processors who share our vision of helping feed the hungry in South Carolina. If you know of other processors who would like to participate, **please let us know!** Processors may qualify for a state tax credit.
