Rep. Funderburk said Draffin is fine tuning the language and will send when it is ready. Have we heard back from Pearson or the Fire Marshall?

Thank you for all of your help!

I have left Mr. Pearson a voicemail.

Haley – Please let us know as soon as you get the draft language.

Mel Pearson, the City Manager, will be glad to speak with you. 803-432-2421.  
Also, Draffin has prepared a version that eliminates the special legislation problem.  
Thanks!

Rep. Funderburk,

Thank you so much for your time today. We greatly appreciate you adjourning debate on the bill as we examine this issue. As a follow up, do you have any advice on whom we should contact to get detailed background on the property and communications with the property owner – maybe the mayor, manager, council member? If you have any contact information that you could send us, that would be great as well.

We will keep you updated on any follow ups.

Thank you,  
Haley
