I'm fine with the letter as-is. It's a little long but I don't have problems with it.

Subject: Letter of Support for Governor's signature

Hi, Rebecca.

This is the State's submission of our proposal to operate a demonstration project for dual eligibles. We are one of 15 states participating in this grant with CMS. States have been strongly encouraged to get Letters of Support from their

executive branch of government. Tony has reviewed and approved the attached letter for the Governor's signature. We need a signed copy by noon on Thursday, May 24th for submission.

Please let me know if you need anything further. Thank you!
