---

Thanks so much. Would Lt. Gov. Bryant like to weigh in on the removal of Confederate statues, flags etc. in light of the current political climate?

Dear Ms. Tuck, please find attached a submission from LG Bryant concerning opioids. He is testifying to Rep. Bedingfield's study committee this evening in Charleston, and we'd appreciate the opportunity to have this published over the weekend. Thanks so much, and please let me know if you need anything else. I will send along his new head shot today or tomorrow. Thanks

Danny
