Hi. My daughter completed the Junior Ranger program (all 3 levels) this past October at Hunting Island. Her picture was taken and we signed the form so it could be used. Just wondering if you were going to make a post about it like I've seen others in the past. She was looking forward to that part. Thanks.

What is her name? We usually post these as soon as we get them in.

Same place (and looks like the same ranger) in your post yesterday.

I have looked in my Jr Ranger files and I do not see the photo with her name. It could've gotten lost in the email shuffle. If you have a photo of her as a Jr Ranger, you are welcome to send it here. If it has a ranger in it, it must show social distancing for me to post at this time.

Correct, but I cannot post this at this time. Do you just have a picture of her that you could share. Without the ranger?

Your surveymonkey post for the alligator names doesn't seem to be working right. Once voted, the totals they show never change on our end. It still shows that only 40 people have voted (showed that last week when I voted) and shows the same amount of votes per category as last week as well. My wife voted today and everything showed the same.

We can see where over 3,000 people have voted on the backend. We will announce results on Jan. 1.

We do not have a certain timeline to post Ultimate Outsider photos at this time. We have not posted any in quite a while. We hope to start reposting these soon. Sorry for the delay.
