Gov Haley,

I saw on Fox News on 11 Jan 15, that Jihadists Terrorist have got training camps here in South Carolina. As a concerned citizen of South Carolina, I want to know why this is being allowed in South Carolina after what happened in France last week. I want to know what you are doing to protect me and my family. I served this country for 32 years to be free and I want to be able to move about in South Carolina and not be afraid and wondering if myself or my family members are going to be attacked by these terrorist.
