**Subject:** One week to go - Deadline Extended for AODP Global Climate Survey

Dear Ms Haley,

Firstly, please let me introduce myself. I'm the Ratings Manager for the Asset Owners' Disclosure Project, and am running the research and ratings programme this year. As we have **just extended our disclosure deadline to 10th February 2016**, I wanted to give South Carolina Public Employee Benefit Authority Retirement Benefits a final opportunity to participate in this year's AODP Global Climate Survey.

You can access your dedicated survey by clicking this link:  
<http://survey.aodproject.net/s3/14f309/i-100144123-1084339?sguid=100144123>

By disclosing you maximise your chances of a favourable rating, gain priority access to our unique comparative data and analysis to understand your relative performance compared to your peers and our support to help you identify where you can improve.

Further information on our survey and the benefits of participating can be found by following the above link, or [on our website](#). You can also review last year's [index](#) and read our follow on ["Digging Deeper" report](#).

If you have any further questions please get in touch and I will be happy to help.

I look forward to hearing from you.

Kind regards,  
Leanne
