Subject: Meeting Request - Tim Felt, Colonial Pipeline

Good afternoon Nicole,

Our firm represents Colonial Pipeline in South Carolina and we would like to schedule a meeting with Governor Haley and Colonial Pipeline President and CEO Tim Felt.

The Governor and Mr. Felt spoke several times during the last couple of weeks regarding gasoline supply issues in South Carolina related to the Colonial Pipeline incident in Alabama. He would like to meet in person in order to brief her on the Alabama incident and provide information regarding the state of Colonial's operations in South Carolina and related issues moving forward.

Would any time on Wednesday, October 26th work for the Governor's schedule?

Thank you and please let me know if I can get you any additional information.
