---

Dear Katherine,

I Hope all is great with you! I have a volunteer project that I hope will be near to the Governor's heart!

I am Chairing the Spoleto USA Festival Annual Auction February 6th in Charleston. The Spoleto brings so much business, art and notoriety to South

Carolina and is a GREAT event for our State!

I am wondering if we could auction off an Art and Garden Tour of the Governor's Mansion with a photo op with the Governor?

I would be involved to help schedule the date with the winning bidder.

Do you think this is a good idea? If so would you mind seeing if we could have this as an auction item?

I would love for it to be for 4 couples as I am seating people at tables of eight and I think it would create high table bidding!

We can make any changes in this concept that work for you!

Thank you tons,

Leslie Richardson
