Dear Charles,

I hear you are quite a hero! It's not every day someone has the opportunity to help save a life, and I want to thank you for your quick thinking and calmness in an emergency situation. You were able to recognize that Mrs. Hudson was in desperate need of assistance, and you acted swiftly to find that help and provide comfort until reinforcements arrived. I am so proud of you for having the courage to reach out in what must have been a very scary incident and do everything just right to prevent further harm. You have set a wonderful example for all of us, and I am happy to recognize you for the awesome young man you are. God bless.

My very best,

Nikki R. Haley
