Roland, I would appreciate your adding the State of SC as a moving party and moving the footnote about the State at the end into the main body. I am concerned that the Court may look with disfavor on an argument contained only in a footnote. I have redlined in these changes in the attachment and hope they are ok. If you'd rather put the State's argument in a different spot, doing so should be ok.

Also below is a signature block for the State that you can paste in, but we'd like to see a final draft before you do so.

Thanks all your work.
