Hi Tony,

We might need to change our Financing and Affordability committee meeting time for May 8th... So, I'm trying to get a feel from the group about whether members would be able to come earlier this time around. Were you planning to attend next Thursday? (If I'm remembering correctly, you actually might not be available anyway due to "getting a raise" next week?! Congrats again on your son's graduation!) If so, could you meet from 1:00-3:00pm on May 8th?

I'll be sending around an agenda first thing next week and can let you know for sure about the timing then, if not sooner.

Thanks,
Eleanor
